

### ***Hi praying friends,***

It's been a very rejuvenating few months back in New Zealand. I've sipped cuppas over catchups; helped my Mum with her art classes and have been learning the ways of kiwi life once again (pies and custard squares included!).

### **Enjoying churches.**

Recently I've begun to feel more ready to connect and share with link churches again.

I've just arrived back from seeing a church in Mosgiel (just past Dunedin). The week involved joining in a Mums and toddlers group; making flax crosses for Palm Sunday, catching up with people and having some time to talk about Spain and this year. Thanks to St Lukes for a hosting me so well! Did you know the word for flax in Maori is Harakeke?

### **Tomorrow...**

I start working part time at Farmers in the Womenswear section. Please don't ask me for fashion advice! Amazingly I have a place to stay very close by so I'll be doing a walking commute to work most days.

I continue to really value your prayers as I slowly get use to being in NZ. A big chunk of my heart is still back in Gijón. Prayer points below.

Please let me know how I can be praying for you too.

Blessings,

***Katie Bennett***

## Spending time with the St Lukes Ladies.

### Praise for...

- **All His provisions:** for a job, flat, NZCMS & supportive churches, and the time to rest and catch up with people.

### Please pray for...

- **Work:** I'm still not at full energy capacity so pray that I quickly get use to my three days work a week. Pray too that I would be a faithful witness to my colleagues and managers.
- **Easter in Gijón:** Pray for my church and Betty with the shop. Holy Week (Semana Santa) is still a culturally big deal in the Spanish calendar.
- Pray that God would stir a need in people to sincerely contemplate and be transformed by the gospel message.
