

Praise:

- For the amazing way we have been able to purchase the Gateway building and that work has begun in earnest on the refurbishment of the existing building.
- That the Antifreeze Team have a great plan to re-open their centre, guidelines permitting, on the 21st of June to better meet the needs of those sleeping rough or temporarily housed by the council. Their outreach work in the afternoons (SALT) and evenings (BLAZE) has continued apace and volunteers are now able to re-join the team after a lengthy gap.
- That the Schools Team are now back in all of their serving schools, meeting students face to face, providing vital 1-1 and small group support and bringing back volunteers to assist with the varied programmes on offer.
- For God's faithfulness, favour and incredible provision during this pandemic.

Prayer:

- For the Gateway team as they struggle to work and continue to engage with the women amidst the noise of a building site. Pray too for the planning application for permission to extend the building.
- Please pray for the Antifreeze team as they face a number of staffing changes over the next few weeks. For Steve the current Manager who is heading to Belfast where his wife hails from and is waiting to see what God has planned for him there; for Ethan (Hygiene For All) as he leaves us this month to join the police. May God grant us wisdom and discernment as we seek the appointment of a new Manager and Hygiene For All Van Outreach Worker.
- For the Schools Team as they look to recruit a new team member to meet ever expanding needs and also for the health of the team especially as they are offering extra support to year 6 students transitioning to secondary school this year.
- Continue to pray for health and strength for Paul and Wendy as they receive an abundance of requests for preaching/speaking opportunities. For Paul who has suffered a bout of ill-health and for Wendy suffering several family bereavements recently in Australia.

"I can do everything through Him who gives me strength."

Philippians 4 v 13
